

# College-Level Course Offerings

The Wheatley School

## What are they?

College-level courses provide students with an opportunity to study at a deeper level than typical high-school courses

Two Types of college-level courses at Wheatley:

- Dual Enrollment (DE)
- Advanced Placement (AP)

Students begin having the opportunity to take such courses in 9th or 10th grade

# Types of College-Level Courses

## Advanced Placement (AP)

- Offered through the College Board (the folks who bring you the SAT)
- Courses must be approved by College Board
- Most AP Courses end with a 3-hour exam given in May
- Exams scored (in June) on a scale of 1 to 5. Scores are released in July.
- Some colleges may give college-credit for AP exam scores of at least 3.
- Fee for exam goes to College Board

## Dual Enrollment (DE)

- Offered in partnership with local colleges or universities
- Courses are approved by the local college or university
- Wheatley teacher becomes an adjunct teacher for the college
- Students earn college credit for completion of the course, with an actual college transcript reflecting their final course grade
- Fee for course goes to college
